

# You are a Priority Day and Night

*We understand that accidents happen, kids get sick and health concerns can arise at all times of day or night. That's why at CIGNA HealthCare, you have options for who to call and where to go to meet your health care needs — 24 hours a day, 7 days a week.*

## Information at Your Fingertips

When you aren't sure where to go to seek non-emergent care, you can:

- > Contact your Primary Care Physician (PCP), or his or her designated 'on-call' doctor, for instructions.
- > Call our convenient **CIGNA HealthCare 24-Hour Health Information Line<sup>SM</sup>** at **1.800.564.8982** to speak with a nurse who can respond to your health care questions, direct you to the nearest participating medical facilities, or provide suggestions for helpful home care that may offer comfort until you see your doctor.

## Choices for Care

It's sometimes difficult to know where to seek care when you or a family member becomes suddenly ill or has an accident. If you believe that if the situation is not treated right away it could result in loss of life or serious complications, it is likely an **emergency**.

Examples of emergency situations are uncontrolled bleeding, loss of consciousness, chest pain, shortness of breath and broken bones. In an emergency, call 911 or go to the nearest emergency room. You or a family member should contact your PCP as soon as reasonably possible for further assistance and directions on follow-up care.

Some situations require prompt medical attention, but are not emergencies. Examples of **urgent**

situations include minor injuries such as sprains and strains, ear infections, high fevers, minor cuts and burns. For these, the ideal place to go for care is an **urgent care facility** – typically open earlier and later than your doctor's office. Best of all, you're likely to spend less time waiting to be seen.

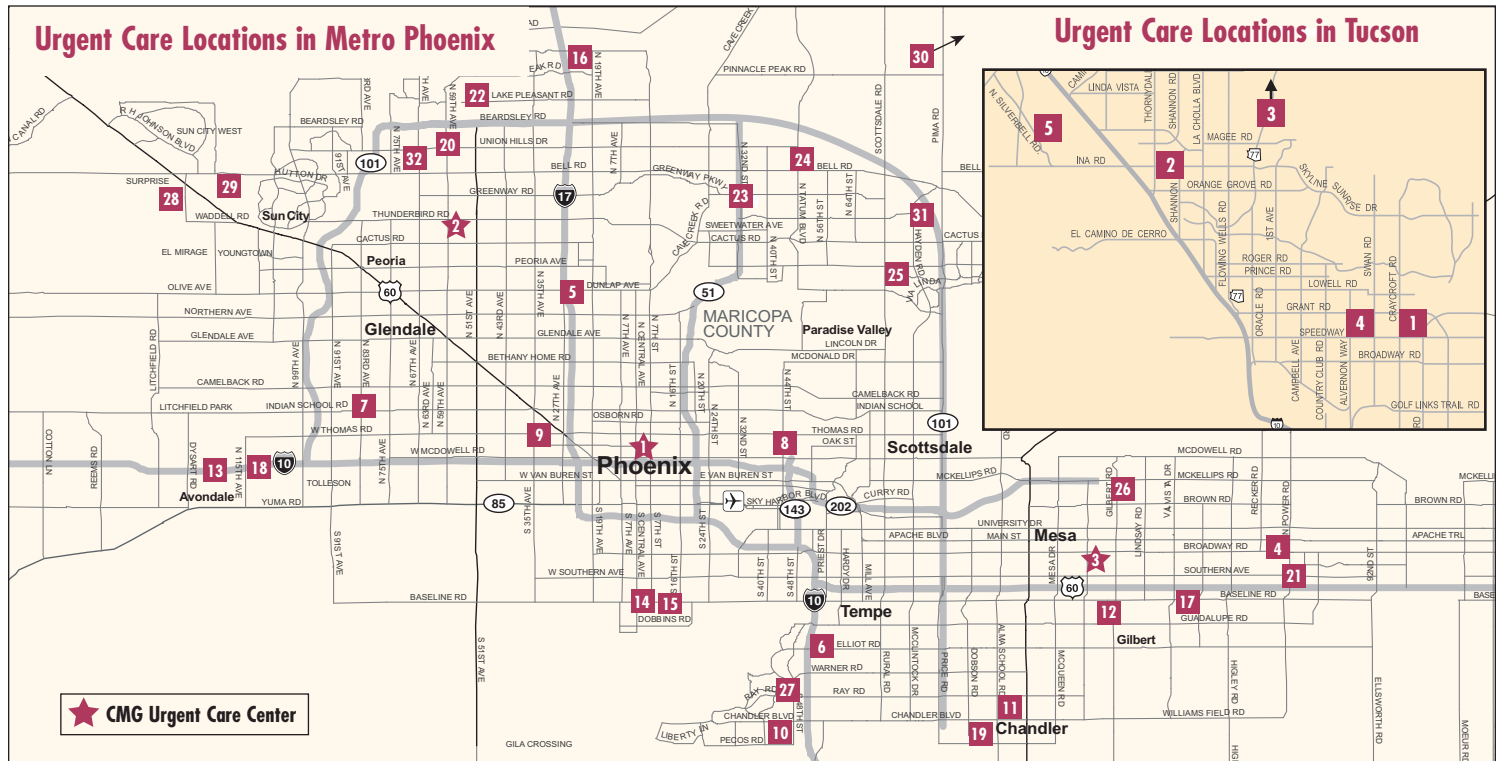

CIGNA Medical Group (CMG) has three CMG Urgent Care Centers located at the Clyde Wright, Paseo and Stapley Health Care Centers. All have regular and extended office hours, including weekends and holidays.
